

## ***Noise Barriers Launches New Website***

**Deer Park, IL – September 29th, 2020** – Noise Barriers, a leading brand of metal noise control products serving the industrial and architectural markets, is pleased to announce the launch of a new and improved website. The new site features vastly enhanced navigation, fully responsive design and swift access to product information.

A key feature of the new site is a password protected rep portal. This portal allows channel partners access to valuable product data, training materials and marketing tools with the click of a button. “We are thrilled to offer this upgraded website to our partners, influencers and the acoustic community at large,” said Jennifer Chagnon, Chief Marketing Officer for Catalyst Acoustics Group. “We strive to provide the best user experience we can for those seeking information about our products and this new site delivers on that.”

The all new [NoiseBarriers.com](https://www.NoiseBarriers.com) also features a blog section where visitors can stay informed with the latest industry news, technical tips, press releases, featured products and case studies.
