QuietGuard
Acoustic 64 Special Application Door
by
NOISE BARRIERS, LLC.

Special Application High Performance Door Model #QS-64-SAHP

Features

Noise Barriers, LLC. is your turnkey provider for all sound control door needs.

- Custom cam-lift hinges and hardware are factory installed.
- Adjustable mortised bottom seals that allow the door to adapt to most site floor conditions are factory installed.
- Triple magnetic seals at head and jambs are factory installed.
- Split-frame door assembly allows installation into existing openings.
- Available in single-leaf, double-leaf designs.
- Door is pre-hung in the factory prior to shipping after seals and hardware have been installed.
- Finish is Galvanneal steel, prime painted.
- Door leaf is 5" thick and weight is 470 lbs.
